To the Secretary Property & Losses Committee

Dear Sir

Upon enquiry at the Castle in reference to our claim re 37 Lower Abbey Street, we were informed that it was still with your committee as it was among the underinsured list.

With regard to this question of underinsurance we would like to mention that under ordinary circumstances we would not, so far as stock is concerned, have been underinsured, and it was owing to the fact of the Railway Carriers not taking our goods as rapidly as they were got ready for shipment, that we had an accumulation of goods packed in cases awaiting the carriers to take away. & so during that unfortunate Easter, we had several hundreds of pounds worth of goods on the premises which ordinarily would have been delivered to our customers by that time – so that any underinsurance on our part is of an exceptional nature and unavoidable – We hope our claim will have your committees early attention

Yours truly

SMYTH & Co., LTD,

Thomas E. Hudman
