Remarks

I have investigated this claim, through the G. N. Rly Co (Ireland), and there would appear to be a diversity of opinion, on their part, as to the ultimate fate of the Salmon in question, but it is believed by them that goods of a perishable nature such as fish, from verbal reports, were not commended, or lost, but went rotten. From the annexed copy of "Parcel's" Way Bill there can be no doubt that the Salmon arrived at Amiens St. at 10 P.M. on the 24<sup>th</sup> April last (Easter Monday), and, but for this element of doubt, the claim is otherwise in order.
