Sir.

I left my watch before the rebellion
to be repaired in The Pillar House. I called
last week and they told me that their
shop was looted. They told me at the
Pillar house to apply for compensation
I enclose card.

Yrs. Respectfully
Jas. Rooney.

this Ticket on application.

No responsibility entertained
should this Ticket be lost.

Not Responsible for Repairs left over Three Months.

CAUTION.

WATCHES and **CLOCKS** are extremely delicate pieces of mechanism that will not bear any rough handling and should not, therefore, be placed in the hands of incompetent persons for repairs, who mislead you by catchy advertisements, as hundreds of Watches and Clocks are often so badly used as to be absolutely ruined beyond redemption. Scamp Repairs are about the worst investment that can be made.
