MEMORANDUM.

Stock etc. was looted out of Henry Street by mob, except some chests of tea left behind, and part of the premises burned. The other Buildings were entered by mob and the contents entirely removed, damage being done to the premises.

Craig, Gardner & Co., the Firm's Accountants, prepared Claim from Books of the Firm, which are elaborately kept, and from estimates of work done and to be completed to buildings. The Stock being ~~so much~~ underinsured at Henry Street is accounted for by large purchases of Sugar etc. recently from the Government and increased cost of goods.
