Remarks

In the abnormal conditions which prevailed in the early stages of investigations with this particular firm, I found it expedient, and what I considered at the time safe, to approach Messrs Scott Ho., and their Foreman, and in this way I was enabled to arrive at an approximate estimate of claimant's loss. Hence my recommendation of £17. 5/- of the 26<sup>th</sup> July last.

I had an interview with him today, and a further interview with Messrs Scott Ho. and whilst they now admit that they may have cut claimant's loss too finely, they appear to think that an additional £7. 15/- should amply repay him, and I beg to recommend compensation accordingly.
