John Ferdinand Esq F.R.S

Sir R 52 1/2 1801

On Saturday morning
last between the hour of 4 & 5^{oc.}
I was aroused out of bed
to find my house surrounded
by soldiers

Detectives entered
my house searched every
bit of it - and caused
great alarm to my
family

I know nothing

About the Sinn Féin
business and am
& always was a supporter
of the Irish Party &
therefore have not
the remotest idea
why I should be
subjected to such
scandalous treatment
hoping you will give
the matter attention

I am Sir

Yours faithfully

Cornelius Allen
