Dear Sir,

I regret to trouble you again on this matter but I would be glad to know if it is a fact that the London and Lancashire Life and General Assurance Association have lodged claims with you for recoupment of sums paid by them, for they state in my Clients case that the failure to give notice in time "rendered it impossible for us" to include this claim with the others which we had lodged against the "Authorities".

Yours faithfully,

A. Norman.

Dear Sir,

Referring to previous correspondence herein I have made application to the London and Lancashire Life and General Assurance Association Ltd for compensation for breakage of plate glass for which you stated you could not give compensation.

The Company stated that the claim had not been made within the time required by their Policy and that they were thereby prejudiced and when I asked them to say how they were prejudiced they sent me a letter bearing date 27th September 1916 a copy of which I enclose for your perusal as there are certain matters therein which concern you. In the first place they seem to imply that there was negligence or incompetence in placing the claim before you and then that in consequence they could not get reimbursed by you.

I would be glad if you would say whether you consider that the case was properly presented to you and also whether you are paying claims on which Insurance Companies are liable.

Yours faithfully,

J. J. Healy, Esq.,
Secretary, Property Losses Committee,

Re Irish Wheelman Claim.

11 and 12 Findlater Place.

Dear Sir,

The above Company for whom I am acting inform me that in response to the claim lodged for £12 : 3 : 0 they have received from you £4 : 7 : 10.

The claim was made up of various items, viz: (1) Plate glass, (2) Glass on roof, (3) Door and (4) Paper.

Would you kindly let me know in respect of which items the allowances were made and why some were disallowed.

The damage to Nos. 1, 2 and 3 was done by the Military seeking to enter the place, and I can produce evidence to that effect. The loss at No. 4 was through looting. My Clients have applied to the Military and to the Insurance Co in respect of the broken glass but both repudiate liability.

Yours faithfully,

A. Norman
