MARGARET DOOLEY.

Dear Sir,

Referring to yours of the 13th inst. I now enclose certified copy of Policy and last receipt for Premium. I also enclose list of the names and addresses of the parties who left articles for cleaning and repairing to my client so far as she has been able to ascertain. ^{Some} Some of the parties named have received goods from my client in lieu of the articles lost.

As to the question of legal responsibility my client in order to preserve her connection has not repudiated liability and as far as she has been able ^{has} compensated the various parties and in my opinion if the matter was tested by the Court she would be found liable ^{and} for these articles I think the claim as presented by her should be allowed.

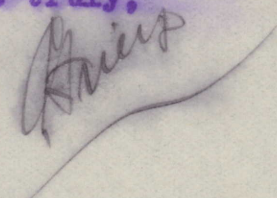

If Mrs. Dooley is given an opportunity she will be able to satisfy the Committee that the claim put forward by her is perfectly moderate and bonafide and I trust no decision will be given by your Committee without first giving her an opportunity of being heard.

Yours truly,

J.J. Healy Esq.,
