Dear Sir

My Claim for £31.3.4 has not been met to my satisfaction, Your Committee having only Paid me £14.14.11 or less than half the actual loss Sustained by me, by the military being in occupation of my apartments in above Premises during the rebellion. I Proved the loss to the entire Satisfaction of the accessor (who however was not either of those appointed by the Government.) I think I am entitled to the full amount of the loss Sustained as was the firm with whom I am manager, the Claim of the said firm

Heyden & Co being made out by me also, also the Claim of the assistants which were also Paid, the latter being Paid without any accessor investigating the affairs at all. I have Sent ample Proof of the matter over & over again to the Secretary. But have received nothing more than a formal reply each time that they Cant reopen the matter.

Now I think this is most unfair to me & does not meet the Promises of the Committee to deal fairly. I am Prepared to have my Claim investigated by either of the accessors appointed & Shall Prove as I did before that my Claim only represents the actual loss Sustained. References as to my Straightforwardness Can be obtained from my Employer J. E. McCormicks Esq 19 Longford Terrace, Monkstown.

In reply to yours of the 5th inst re my claim 2285. beg to state I shall insist on having it gone into & dealt with properly & on the basis the other claims were paid which were made out by me also. if not I shall be compelled to draw attention of my treatment in the Public Press also the way the military acted looting

the goods during their occupation which I have ample grounds to prove. Some of the goods being afterwards seen in their possession by some of our assistants. Now this comes from one who is in full sympathy with the Militia & Government.

Kindly quit the matter have immediate attention. I am not one of those who can afford to lose £16 through no fault of mine.

Dear Sir

In reference to my claim £31.3.4 for which I am sent cheque for £14.14.11 less than half the amount of loss sustained through the Military being in occupation of one apartments in above Premises. I beg to say I am manages of above business & made out the claim for Heyden & Co they have been paid in full (with the exception of a few small items) my claim was made out with the same Pen & with the same motive in view, that is to recover

the exact amount of the loss
sustained through the above cause.
I also made out the Claims (or assisted
them) of all the assistants in above
business, they were Paid mostly in
full, although no accessor P.
investigated their claims, he called
one afternoon & they were out & he
never troubled himself again.
What I insist on having
done in my case to have my
Claim investigated with either
of the two accessors appointed to
do the work by the Government
& not by an inexperienced man
which apparently he must have been
as he took everything in good
faith, being Proved to him & then
to go home & Put in less than
half Passes my understanding.
Please have the matter thoroughly
gone into & oblige

re Claim of Mr T. Masterson - No. 2285.

Dear Sir,

I have yours of the 29th ult.

In my letter to you of the 20th ult., I did not ask the Committee to enter into any details as to how the amount was arrived at. I did ask that my Client's claim should be submitted for examination to Messrs Montgomery or Messrs Hume. These firms are professional Assessors and would know at once whether the claim should be admitted or not.

I think this request is a reasonable one and I hope your Committee will favourably consider it.

re claim of Mr T. Masterson, No. 2285

Dear Sir, 21/9/16

I have yours of the 16th instant.

A grave injustice has been done to my Client in the reduction of the amount of his claim.

This gentleman is the Manager of Messrs Heyden & Co. and prepared their claim which was not reduced except in the item of plate glass which was covered by insurance and some trifling items. He has been known to his employers as an absolutely honest and reliable man and if one claim prepared by him is accepted as correct, surely another claim should not be rejected without some explanation.

I would ask that his claim should be submitted to either of the two official Assessors appointed by you, Messrs Montgomery or Messrs Hume. These gentlemen are professional loss assessors and would know at once if his claim should be admitted or not, and my Client would accept their decision as final, no matter what it might be.

Yours faithfully,

Fred. G. Sharpe.

re claim No. 2285 of Mr Thomas Masterson

Dear Sir,

I have been consulted by Mr Masterson with reference to his claim in respect of damage sustained by him during the rebellion.

The amount of Mr Masterson's claim was £31:2:4. He supplied details showing how this amount was made up. The amount claimed by him for each article was the actual amount paid by him for it.

Mr Masterson has been sent an order for payment of £14:14:11 which is £16:7:5 less than the amount which should have been paid to him. I would be glad to hear from you as to the items of his claim which have been disallowed and on what grounds.

From my instructions there is no doubt that the sum claimed represents the actual amount of the loss sustained by Mr Masterson.

Mr Masterson informs me that the Assessor, Mr Ingoldsby, who called on him, did not question any of the items to him.

Yours faithfully,

Frederick G. Sharpe

Dear Sirs

I beg to acknowledge the 5/9/16 Receipt of cheque value £14.14.11 but am sorry it does not cover the amount of my claim of £31.3.4, which is the actual amount of loss which I sustained by the Military being in occupation of my apartments in above Premises (of which I am Manager).

I claim to be entitled to the full amount of my

claim particularly as the military were in occupation & responsable for what occurred & I have ample Proof that my claim only represents my actual loss, most of which I Proved to the accessor who investigated my claim. & satisfied him on every detail. & as further Proof, we got some of our goods in the technical schools some days afterward. (over 300 yds from here) which the military gave the People whom they had sent there for safety.

Those Barracks were headquarters for the military, for issuing instructions, Passes & dressing wounds &c.

I am Prepared to have my claim investigated at any time & shall be glad to have the matter looked into again & my claim met in a reasonable way & oblige.

Yours Faithfully,
