This is to certify that we have known Mrs. Fegan for the past ten years during which time she has made for us tennis trousers, football knickers and other sporting clothing. We are aware that through industry and hard work during recent years her business has increased considerably, that she has established a very good trade through her own industry. During all the time she supplied goods to us we found her strictly honest and most straightforward in all her dealings and feel quite confident that any claim she may make regarding the destruction of her business during the recent troubles will be justified, as we feel sure that she is not a person who would claim more than she is rightly entitled to.

I am acting as Solicitor for Mrs. Caroline Fegan of 119 North Strand Road on whose behalf I sent in a claim for loss sustained by her at No. 44 Henry Street where she resided and carried on business. 30/8/16

This claim has been in the hands of the Assessor for a considerable time and should by this be reported on.

My client is in a very bad way and at the present moment she has an admirable chance of restarting her business, if she had any money to buy machines.

Might I appeal to your Committee on her behalf for an immediate grant on account. If she could get even £100 now it would mean that she would be in a position to resume her business.

Hoping for a favourable reply, truly,

Yours truly,
