Remarks
I have investigated this claim, and was not at all satisfied with claimant's answers to my enquiries. The stock in trade consists of such items as Turp, Coal (retailed in small quantities by weight) and a small supply of cheap minerals and sauces, and only slight traces of cooked meats and provisions. In fact £5 would cover the entire stock in trade.

I am satisfied, however that claimant suffered a slight loss, through military occupation, and consider that a nominal £1 would be fair and reasonable compensation.
