Dear Sir,

We are acting for Messrs. S. Forsyth & Co.  
Limited of 47 Market Street, Manchester.

Our clients were tenants to Sir Joseph Downes  
of the shop and basement of the premises lately 6 North  
Earl Street which were destroyed during the recent  
rebellion. Their lease contains a covenant by them  
to maintain and keep the premises in good and tenantable  
repair and at the end or sooner determination of the  
term to deliver up the premises in good and substantial  
condition.

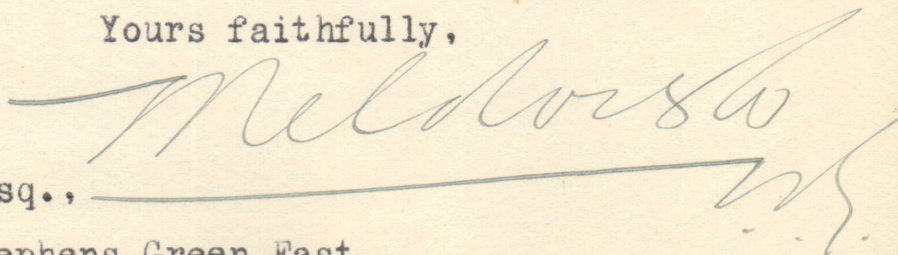

Our clients have served notice of surrender  
which has been accepted by the landlord.  
Messrs. Forsyth were informed that Sir Joseph  
Downes had plans for rebuilding prepared and sent in a  
claim to your Committee for compensation for the  
destruction of the entire building and hence they did  
not send in a claim for the destruction of the portion  
of the premises in their tenancy when sending in their  
claim for the destruction of their stock etc. Sir

Repts.

I refer to you & of the 6th  
miss. I am to report that  
you will be so good as to have  
a claim lodged for  
the claim on the  
basement from it  
reparation of the premises  
is required. Two forms  
are enclosed.

Joseph Downes Solicitor, however, has intimated to our clients that his client will not relieve them ~~of~~ of any responsibilities or obligations which attached to them under the lease. He maintains that our clients are under an obligation when delivering up possession to hand over the building in the same condition in which they received them

We therefore claim on behalf of Messrs. Forsyth & Co. compensation for the destruction of the premises comprised in their tenancy and shall feel obliged if you will kindly bring the matter before your Committee. The premises were insured against fire in the Hibernian Fire & General Insurance Coy. for £2000. The policy is in the joint names of lessor and lessee and it was sent to you on the 5th July last with our clients claim in respect of the stock

Yours faithfully,
