Mr G. Gilbert, 23, Eustace Street, Dublin.

Sir,

I am in receipt of your letter of 2nd ult, respecting damage and loss of goods etc, and in reply have to inform you that the matter has been fully enquired into, but the evidence obtained is quite insufficient to connect the troops with the matter. Under these circumstances, the Military Authorities are not able to accept liability.

Your letter, however, has been passed to the Civil Authority, i.e., the Under Secretary, Dublin Castle.

Yours faithfully,

Colonel, A.D.S.T., for Major-General i/c Administration, Irish Command.

Sir,

I beg to inform you that I am investigating your claim, and will let you know the result as soon as possible. I regret the delay, but as several regiments operated about this area, it takes time to find the one against whom complaint is made.

Yours faithfully,

The General Officer in Command, Head Quarters, Dublin.

Sir,

I am instructed by Mr George Gilbert of 23 Eustace Street, and Temple Lane, Dublin Wholesale Merchant, to communicate with you in reference to the looting of his premises during the recent disturbance, and the removal therefrom of Goods to the value of £372.

My client informs me that the Stores in which no one resides, were broken open by the Military, as he believed, for the purpose of commandeering Food — a very large stock being on the premises. Shortly after they broke open the stores, they left, and took no steps to secure the door, and stock to the value of £372 was taken.

May I ask you to let me hear from you in reference to this.

Yours faithfully, English foreins

TELEGRAPHIC ADDRESS. CASH, DUBLIN. from_ ovost Marshal. Despatch Warehouses; - 5,6 & 7, Temple Lane, Dublin Castle. Stores .- 12, Lownes Street, 1 page. Cylons. Opply 4/8/16 blain retd for assessor On Saturday 29th April our premises were forcibly entered by the military. We are informed by an eye-witness that a guard was left in charge remaining for about an hour, our warehouse was then left at the mercy of the mob who entered and looted to a very large extent. Later on a guard was again established and while they held possession, we have witnesses to prove that they handed out our goods to the crowd in a wholesale manner. Our manager

Major to whom he explained the situation, they, together, opened the office entrance in Eustace St, went through warehouse to back in Temple Lane and discovered the guard had again gone. asked permission to baricade the door, this was given, and the soldiers were withdrawn. These facts can be proved by witnesses when you may deem same necessary. Under the circumstances we trust you can see your way to deal with our claim which has been created, not by the crowd, but by the military.

We estimate our loss at about £372.

Yours truly,

P.S.
