Further to my report on the
above claim re "involved

that there are six other members
of Mr Warte's family interested
in the property together with
two or three other parties but
as the claim was passed

Mr Jameson,

You referred in this case recently, & stated
that there were various involved ownerships. Have you
any reason to think that a claim for the repairs may have
been put in by some other of these owners? If so, & you can give
names a search will be made.
