Dear Sir

It is some time now since we sent in our claim for the destruction of our Music Studio 4 Wp Sackville St; & we know that the claim is out of the assessor's hands & before your committee. We have been compelled to open a new Music Studio at 27 Westmoreland St. & are fitting it up for the coming musical season. We wonder would it be possible to get some financial assistance as we are very anxious about this matter & find the cost more than we can meet.

A reply at your convenience would gratefully oblige

yours faithfully
Robert. H. Harrison

It would be impossible for us to give a catalogue of all the Music and literature in our Library, but we may state that it included most of the best Music for Violin, Pianoforte and Vocal Works, together with a considerable number of most expensive Orchestral Scores, Chamber Music and many theoretical works. There were also a number of original Manuscripts which no money could replace. We were indeed very proud of the extensive Library which took us many years to collect. The very lowest estimate we could put on the value of our Library is -----

£360: 12: 0
