PROPERTY LOSSES (IRELAND) COMMITTEE, 1916.

Inspector's Report.

Claim No. 3076.

Name of Claimant Patrick O'Reilly Occupation Carpenter

Situation of Property 48 Marlborough St. Dublin

| Description | Claim | Insurance (if any) | Valuation of Buildings (Commissioner of Valuation) | Inspector's Valuation of full Damage | Loss Payable on basis of Insurance | Excess of Loss over and above amount payable under the Policies of Insurance |
|--|-------------------------------|-----------------------|---|---|---|---|
| Tools looted during claimant's forced absence. | £8.14.2 £7.13.8 | nil | | £7.13.8 | | |
| TOTALS, £ | 7.13.8 | nil | | 7.13.8 | | |

Interests in the buildings

I ascertained that claimant had a good
set of tools which were looted. The
values are slightly overestimated, but this
is counteracted by an error in addition of
amounts which is against claimant to the
extent of £1.0.6. I consider £7.13.8
would cover loss.

Dear Sir:-

Referring to your call here we beg to herewith enclose Memo which we got signed by Mr: Michael Pidgeon, the claimants employer, and which we think answers the points raised by you at our interview:

With reference to the length of time the claimant had the tools he informs us that a few of these he had for some years - five being the longest, but the majority of them were fairly new and none of them can be replaced except at the figures set out in the claim:

Yours faithfully,

J. P. Beaumont
