Some time ago I filled in a claim for £3, for my watch which was destroyed on Hopkins & Hopkins premises during Easter week 1916. The watch cost me £4.

I have got no reply to my claim and Hopkins are now claiming the amt. due for repairs &c. This I have refused not having got the watch or compensation.

His hon. the Accountant has given notice of law proceedings.

Will you please look into the above, and let me know the result. Sincerely Yours

P. J. Farrell, Supervisor.
