Dear Sir,
Your favor of the 22nd inst is before me, and herewith I beg to furnish the particulars you ask for as near as possible.

Receipts for purchase of any of the Jewellery I naturally fail to have, as in most cases they did not give receipts where cash was paid.

The Waltham (ladies) watch was purchased by me as a present for my wife the last time I was in Boston. U.S.A. for which I paid \$35, and at the time it was lost was as good as the day I bought it.

The other articles were all purchased personally from time to time as presents also, excepting the gold ring which belonged to my Mother.

The Gent's English Lever was entrusted to me by a neighbour here, to have a new spring put in when in Dublin, and the gentlemen in Messrs Hopkins' Hopkins remarked at the time what a fine lever it was.

I am extremely sorry not to be able to furnish more minute particulars.

I am,

Dear Sir,
Yours very truly,
H. W. Hagelstadt.
