Dear Sir

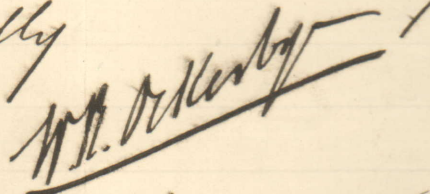

Policy No 34231

We are surprised to learn that the Property Losses Committee, should have raised any objection to your Claim, as clause 8 of our Policy, is perfectly clear.

"And it is declared that this policy shall not cover damage from fire, or by person of Riot &c &c"

We would suggest that you should point this out to the Committee, and tell them that upon this clause the Company declines to admit liability.

Yours faithfully

Manager
