Claims Board  
Gentlemen

Re Rover Bicycle re Capt Henderson  
The Bicycle came back on Saturday in a terrible  
condition, and I thought at first past repair  
but got an estimate from Mr Tracy which I  
enclose, the 3 sliding pieces are gone out of the gear  
case and bent out of shape, mud guard is missing  
and the other broken & twisted, the saddle spring  
broken in two, wheel covers pieces torn out, the pump  
is missing, and the enamel chipped off in some  
places over 9 inches bare steel

Kindly instruct me what is to be done in the  
matter as early as possible, as Mr Tracy  
wants 2 weeks to do the repairs necessary  
to put it in order.

Yours truly  
Barrett

The Machine is away over 2 months
