THE CONDITIONS referred to in this Policy are as follows:—

1. Any material mis-description of the Property purported to be insured, or of any part thereof, or of any Building or Place in which Property insured is contained, or any mis-statement of or omission to give any information material to be known for estimating the risk renders this Policy void as to the Property affected by such mis-description, mis-statement or omission respectively.

2. If after the risk has been undertaken by the Company, anything whereby the risk is increased be done to Property hereby insured, or to, upon, or in, any Building hereby insured, or any Building or Place in which Property hereby insured is contained, or if any Property hereby insured be removed from the Building or Place in which it is herein described as being contained, without, in each and every of such cases, the previous assent or sanction of the Company signified by endorsement hereon, the insurance as to the Property affected by any such causes ceases to attach.

3. This Policy does not cover Property held in Trust, or on Commission, unless expressly described as such, nor China, Glass, Looking Glasses, Jewels, Clocks, Watches, Trinkets, Medals, Curiosities, Manuscripts, Prints, Paintings, Drawings, Sculptures, Musical, Mathematical, or Philosophical Instruments, Patterns, Models or Moulds, unless specially mentioned in the Policy; nor Deeds, Bonds, Bills of Exchange, Promissory Notes, Money, Securities for Money, Government or other Stamps or Books of Account; nor Gunpowder; nor Loss or Damage occasioned by, or happening through, subterranean fire, earthquake, hurricane, volcanic eruption, or other convulsion of nature, Invasion, Foreign Enemy, Insurrection, Civil Commotion, Riot, or any Military or Usurped Power whatever; nor by the act of any person or persons engaged or concerned in notorious resistance to the authority of Magistrates, or any other lawful authority; nor Loss or Damage to any Goods which may be destroyed or damaged whilst undergoing any process in or by which the application of fire-heat is necessary; nor Loss or Damage arising from, or through, Fermentation, or Heating, or Spontaneous Combustion, of the subject insured; nor Loss or Damage caused by Explosion, other than Explosion of Coal Gas in a Building not being part of any Gas Works; nor Loss or Damage to Property which at the time of the happening of such Loss or Damage, is insured by, or would but for the existence of this Policy be insured by any Marine Policy or Policies, except in respect of any excess beyond the amount which would have been payable under the Marine Policy or Policies had this Insurance not been effected.

4. This Policy will not be in force as to any Property hereby insured, the right or title to which, or the right to possession of which, shall have passed or shall pass from the Insured to any other person, otherwise than by Will or operation of law, unless and until notice of such change shall have been given to the Company and the continuance of the insurance in favour of such other person shall have been declared by a Memorandum endorsed hereon by or on behalf of the Company.

5. No Insurance will be in force until the Premium, or a deposit on account thereof, shall have been actually paid, and a receipt for the same on the printed form issued by the Company shall have been signed by an authorised Officer, or Agent of the Company, and delivered or sent to the Insured or his Agent. No receipt for renewal of any Premium, or any other payments to the Company in respect of this Policy, will be recognised, unless on the printed form issued by the Company and signed by a duly authorised Officer or Agent of the Company.

6. On the happening of any Loss or Damage to any Property hereby insured, the Insured is forthwith to give notice in writing thereof to the Company; and within fifteen days at latest, to deliver to the Company as particular and detailed an account, in writing, as reasonably practicable of such Loss or Damage, and of the estimated amount thereof, having regard to the value, at the time of the fire, and of the several articles or matters to which the Loss or Damage applies, and in support thereof to give to the Company all such vouchers, proofs, and explanations as may be reasonably required, together with, if required, a statutory declaration of the truth of such particulars and estimate; and the Insured shall produce to the Company, or their Agents in that behalf, his books of account, and such other documents as may be reasonably required; and, in default thereof, no claim in respect of such Loss or Damage shall be payable until such notice, accounts, proofs and explanations respectively shall have been given, and such documents as aforesaid produced.

7. If the claim be in any respect fraudulent, or if any untrue statement or representation be made in support thereof, or if the fire was occasioned by or through the wilful act or the procurement or connivance of the Insured, or any claimant under the Policy, all benefit under this Policy will be forfeited, and no claim will be recoverable by action, arbitration, or otherwise.

8. The Company may, if they think fit, wholly or in part rebuild, reinstate or replace, buildings, goods, merchandise, and other the property damaged or destroyed, or any part or parts thereof respectively, and if any such property, or any part thereof respectively, shall, at the time of the damage or destruction be to any extent insured by any other Policy, this Company may join or concur with any other Company or insurers, in wholly, or in part, rebuilding, reinstating, or replacing, the same respectively, or any part thereof respectively. If this Company elect so to rebuild, reinstate or replace, or to join with any other Company or insurers in rebuilding, reinstating, or replacing, no money shall be payable to the Insured under this Policy, except in respect of such part (if any) of the property hereby insured as shall not be so rebuilt, reinstated, or replaced, and under no circumstances shall this Company be liable, or be called upon, to pay or expend in respect of, or in relation to, any such rebuilding, reinstatement, or replacement, or any expense, or outlay, incidental thereto, more in the aggregate than the sum for which the property damaged, or destroyed, and which the Company shall have elected to rebuild, reinstate, or replace, is hereby insured, or a proportionate part thereof in case of any such other insurance as aforesaid. No acts done, or caused to be done by this Company with respect to property damaged or destroyed, or the salvage thereof, for the purpose of ascertaining the extent of Loss, or Damage, or the cost of rebuilding, reinstating, or replacing, shall be deemed an election by this Company to rebuild, reinstate, or replace, or to concur therein, and this Company shall not be called upon so to elect, unless and until this Company shall have obtained all such information and all such plans and estimates as may be deemed necessary or expedient for the purpose of such election or otherwise.

9. Upon the happening of any Loss or Damage to any property in respect of which a claim shall have arisen, or may be alleged to have arisen, under this policy, this Company may, without being deemed wrong-doers, by their authorised officers and servants or others enter into possession of the building or place in which such Loss or Damage has happened, and of any property contained therein, and of any premises connected therewith, then in the occupation of the Insured, and may examine, sort, sift, arrange, remove, or otherwise deal with, the contents thereof and the building, property, and effects, in respect of which a claim may be alleged to have arisen, and may keep possession of such building and premises and other property and effects, until the claim is adjusted or settled, and this Policy shall be proof of leave and license for that purpose.

10. If at the time of Loss, or Damage, happening to any property insured by this Policy, there shall be any other subsisting insurance, or insurances, whether effected by the Insured, or by any other person, covering the same property, or any part thereof, this Company shall not be liable to pay, or contribute, in respect of such loss or damage, more than its rateable proportion of the aggregate liability under all the insurances covering such property, and on the happening of any Loss or Damage, the Insured shall forthwith give notice in writing to the Company of all other insurances covering any property hereby insured, and no claim under this Policy shall be payable until such notice has been given.

11. In all cases where any other subsisting insurance, or insurances, whether effected by the Insured, or by any other person, covering any property hereby insured, either exclusively, or together with any other property in and subject to the same risk only, shall be subject to average, the insurance on such property under this Policy shall be subject to average in like manner, and in ascertaining the separate liability of this Company as provided in the last preceding condition, this condition as to average shall be taken into account.

12. If any question or difference shall arise under this Policy, whether as to the liability of the Company or as to the amount of adjustment of any Loss or Damage, or otherwise, every such question or difference shall, if required by the Company, be referred to the decision of two Arbiters, one to be chosen by the Company and the other by the Insured, with power to said Arbiters to appoint an Umpire. The costs of and connected with the Arbitration shall be in the discretion of the said Arbiters or Umpire, who shall also have power to take evidence and compel production or exhibition of documents.

13. In all cases where this policy is void or has ceased to be in force under any of the foregoing conditions, all moneys paid to the Company in respect thereof for Premium or otherwise shall be forfeited to, and retained by the Company.

14. Any Warranties to which the Property insured or any item thereof is, or may at any time be made subject, shall attach and continue to be in force during the whole of the currency of the Policy; and notwithstanding the Second Condition, non-compliance at any time with any of the Warranties shall be a bar to any claim in respect of such Property or item.
