Interests in the buildings

The Claimant has a repairing lease, 38 years unexpired, on these premises, but spent £200 on putting in new shop front and other renovations two years ago. He is a most industrious man and was anxious to facilitate me in every possible way. His claim is strictly correct in each particular, the cost price of the goods only being charged. Messrs. Dockrell have not allowed for salvage, and I have therefore reduced the claim for that item. The Plate Glass is insured in the "British Law", and the Policy contained no condition which would relieve them of liability. However, when they were issuing their receipt in October last the Riot and Civil Commotion Clause was endorsed on such receipt making the policy henceforth exclusive of any damage caused thereby.
