Property claims —

Drain

Having just returned home, I find the Carpet in the Drawing Room, is destroyed & quite unfit for use being very badly stained with rust & grease during the Shim Free Rising - I have sent it twice to be cleaned, but the stains still remain — The Representative from Mrs Hume called here this morning & took note of it — It is a very large & expensive carpet having been bought at Mrs Millar & Brath's Great St, price about £30 — There is also a Bedstead broken by a Rifle shot which was not included in my former list — Price £4 — These claims I am not cognizant of when sending in my claims. Please have them considered,

W. Lacey Jozak
