I have to report - That I consider
the amounts set forth on
the attached Abstract are
reasonable as regards the
value of the articles when
they were taken.

The value referred to can
be excluded, except as
regards the cost of repairs.

Some of the other articles
have since been recovered.

I beg to say I concur with
the estimate - Value and
shown are as good as new
at the end of eight years so
very little use do they have

Is it to be under-
stood that you concur in
the valuation set by Const.

And the cost to replace
will be as the original
cost. Being a part of the
Court's equipment the
articles must be replaced
and I think they should be
replaced as new, in other
words the full cost-price.

Application for Compensation for my Property stolen or Injured by Rebels on 27: 4: 16.

Garristown 30: 6: 16. Co of Dublin

I beg to apply for compensation,
to the amount of £1. 9, for the
following articles my property
stolen or injured by rebels, when
they raided this barrack on
morning of 27: 4: 16.

	s.	d.
1 Valise value	=	6 6
1 set of braces value	=	4 0
coat straps	=	6
1 haversack	=	2 6
1 shirt ^(never used for kit-stk)	=	3 6
2 pair of socks ^(do)	=	2 0
Tyres of bicycle cut & damaged	=	8 0
Mud guard & flapper of bicycle broken	=	2 0
Total =		£1. 9. 0

Bills not procurable.

The valise, straps, shirt, socks, and
haversack, were about 8 years in use,
& will cost at least amount claimed
to replace them. The front tyre of
my bicycle was badly cut & it will
take 8/- (price of a Michelin tyre
similar to it) to replace it, & 2/-
to repair mudguard & replace
flapper.

As it will cost me £1. 9. 0
to replace my property, I trust
my D. I & C. I, will consider
this a reasonable demand and
recommend its payment.

Application for compensation
for my property stolen or
injured by Rebels on 24.4.16

3681

County of Dublin

Garristown 30.6.16

I beg to apply for compensation
to the amount of £5 for the following
articles my property stolen or
injured by rebels when they
raided this Barrack on 24.4.16

Bicycle damage = £ 5d
(Cost of repairs attached) = 2 0 0

Overcoat and gloves - 2 0 0

Damage to portmanteau and
Suit Case = 1 0 0
(Locks destroyed)

Total £ 5-0-0

The bicycle was purchased
by me in September. 15 from
Woods Cycle Agent, Dublin
and his bill for amount of
repairs attached. Having
previously estimated damage
as £2 though cost of repairs
exceeds it. I will allow balance
for wear and tear of tyres since
purchased.

No bills for overcoat (which
was only one year in use & seldom
worn) Portmanteau or Suit Case
available but it will cost at least
the amount claimed to replace
them.

Hoping my authorities will
recommend payment of amount
claimed.

Submitted. I beg to state
I have seen the Const. Bicycle
before and after been taken
by Rebels, & I am satisfied
that the articles enumerated
on Messrs Woods & Co^s attached
apc (save the tyres) were stolen
from the Const. Bicycle during
the period between date of its
taken & recovery. The Tyres
were very much damaged
during its absence. & will have
to be replaced by new ones. I am
also satisfied that the claim for
overcoat gloves & injury to Portmanteau
& suit case are reasonable.
