Declined by Committee

Insurance to be liable

Submitted

For formal ruling.

Presumably as ^① the claimant has
ceased to have any interest in the
premises + ② the glass has been
replaced by the ^{insurance} company, there
is no claim, but please see the
point raised as to damage by
explosion, which is stated to be
excluded from the policy. The policy
however has not been produced in
this case or in about 20 other
plate glass cases in which the
same solicitor are concerned.

Wm. Bloomfield.

Dear Sir,

In reply to your letter of the 2nd inst. we are instructed that Mr Bloomfield was in possession of the premises at the time the damage occurred.

With regard to the replacing of the glass, the Insurance Company replaced same by arrangement, but he was not covered by his Policy owing to the fact that the damage was caused by explosion, and would be liable to replace same.

Re Claim No. 3847.
William Bloomfield, 171 Parnell St.

Dear Sir,

In reply to your letter of the 20th inst. we have now gone into this matter, and we are instructed that a claim was made on the Insurance Company by Mr Bloomfield on the 5th May, and at that time he was in possession of the premises. We are also instructed that the window in question was probably damaged by the explosion of a large gun which was fired by the Military at Moore Lane, and that compensation has already been paid to Mr Patrick Conway of 70 Parnell Street for damage to his premises arising out of the firing of the same gun.

Claim 29. Recommended to Govt. 13/9/16.

" 3847. Covered by claim No. 29.
