With reference to the amount awarded us viz;- £ 391.97. in respect to our Stock and Plant Claim our Auditors require to know how this is to be divided, how much is for Stock and how much is for Plant.

A Meeting of the Directors is to be held on Monday morning next and this question will be asked. I beg to request you to give me this information if possible per Bearer and oblige,

re Claim No. 3906.

Dear Sirs,

In reply to your letter of the 24th instant I beg to state that in dealing with the claim lodged the Committee were precluded by the terms of reference from considering the items in respect of temporary premises, rent and loss of profits. The item for telephones was also ruled out, as it is understood that no claim in respect of them will be made by the Post Office.

The investigation regarding the claim for Stock, Fixtures and Machinery was a very full and careful one, and the award represents, in the opinion of the Committee, a fair valuation of the loss sustained. They are not prepared, therefore, to re-open the matter.

Yours faithfully,

Secretary.

HUGH MOORE & ALEXANDERS, LTD.

Wholesale Druggists & General Merchants.

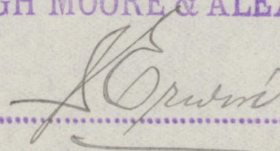

Dear Sir,

We would feel greatly obliged if you will bring before your Commission at their next Sitting, the question of making us a further advance on account, if they are unable to pay some of our claims in full.

You are aware of the amount of our various claims, which we understand, have all gone in, and that so far, we have only had £10,000 on account. This considering that our business is now in full swing again, leaves us very tight for money, and we would feel deeply indebted to you, if you could get this matter looked into at once.

We are, Yours truly,
