re - Claim 3962 - M. S. Orr.

Dear Sirs,

In reply to your letter of the 2nd instant I beg to state that this claim was gone into very fully and carefully by the Committee and their recommendation was not based on the amount of the Insurance in force at the time the loss was sustained. In the circumstances the Committee regret that they cannot re-open the matter.

Yours faithfully,

Secretary.

It would seem to me that the Authorities have limited the compensation in respect of my books and furniture to the amount of my Fire policy for £250 taken out in the year 1905. I understood that under-insured cases would be dealt with on the same basis as if no Insurance had been effected.

If the Award has been made on the basis of the amount of the Insurance policy I would ask you, in connection with my Supplemental claim sent you on the 23rd October last, to kindly bring before the proper Authority the fact that immediately previous to the Rebellion I was negotiating for the Insurance of my general papers and documents to the amount of £1000. In verification of this fact I sent you a letter I had from the Insurance Co. on the 26th Octr. last.

Yours faithfully,

John McDonald,

Dear Sir, Claim No. 3962 - M.S. Orr

Mr. J.J. McDonald, Solicitor, who has the matter of my claim in hands for me has sent me your letter to him of the 9th inst. by which I see your Committee have deleted the item of £1200 for loss of costs and that I should furnish a separate claim in respect thereof. This I intend to do when I have the necessary proofs to lay before your Committee ready, but that may not be for a week or two more. May I take it however that the other items of my claim have been

dealt with and that I may soon expect to receive some compensation ?

I am, Dear Sir,

Yours faithfully,

M.SYDNEY ORR practising as STEWART & ORR

late of Nos 43 & 44 Lr Sackville Street but now of No.7
Great Brunswick St. Dublin.

I held my late offices at 43 & 44 Lr Sackville St
Dublin comprising the entire of the 1st flat
of the new Buildings situate at the corner of
Lr Sackville Street and Middle Abbey Street Dublin
known as "Manfield Chambers" including Electric
light in the Hall and on the staircase leading
thereto, and a fire proof Strong room in the
basement, on Lease for a term of 21 years
(about 3 years expired) at the reduced yearly
rent of £76 free of taxes. I had the option of
renewing the Lease for a further term of ten
years at an increased rent of £100 a year free of
taxes. The offices were approached by a Bold
and handsome Hall door entrance with a massive
doubled sided Oak Hall door and a heavy solid oak
staircase.

The true letting value of these offices was from
£120 to £130 per annum,

The Lease of said offices at the reduced rent referred
to was granted to me by Messrs Manfield & Son
in consideration of the giving up of a former

Lease which I held of 4 offices in the house No.43 Lr Sackville Street previous to the rebuilding and of allowing Messrs Manfield to rebuild during my occupation and of submitting to great inconvenience, dislocation and disturbance in my business for a period of about two years during the time the new premises 43 & 44 Lower Sackville St were being built. A Strike took place during the building operations which caused considerable delay.

I claim for the loss of these new offices and disturbance by reason of their destruction.
