Interests in the buildings

The Claimant was doing duty at Presbytery, City Quay, Dublin, and stored the articles claimed for in his brother's premises (Cork Manufacturer's risk) at above address. The building has been entirely demolished. The Book Case and Encyclopedia Britanica bound in red morocco were the gift of his father and cost £45 some years ago. He cannot however give invoice. The travelling bags were purchased last year at a cost of £9. I believe £40. would about compensate.
