Terms of Sale, - Cash in Liverpool within 14 days from date of Invoice or before delivery if required, less 2 1/2 per Cent discount. Interest allowed on balance due from date of Invoice to date of payment.

H.T. & Sons Ltd. do not

Deliveries may be suspended if the price of sugar falls below the cost of production, or if the supply of raw materials is interrupted, or if the market value of the goods is falling, or if the market value of the goods is falling, or if the market value of the goods is falling.

All Sugar, whether paid for or not, is covered by the contract, and the market value of the goods is falling.

Every care is taken to keep sufficient stock on hand to meet the requirements of the market, and to be admitted for delay in consequence of strike.

It shall be a binding condition of this contract that the sugar in question shall be resold by the buyer at a profit to such buyer of not more than 2 1/2 % on sales for cash and immediate delivery. When delivery is not immediate or credit is given, the proper equivalent for these facilities may be added to the price, but no such addition may be made which would make the transaction more favorable to the dealer than it would have been if cash had been paid and delivery taken immediately. In the event of these conditions not being, in the opinion of the Royal Commission on Sugar Supply, fairly and reasonably adhered to, Messrs.
