Claim No 4686. Bernard Lea

Dear Sir,

With reference to this claim on foot of which a sum of £185 has been paid. My client desires me to inform you that this amount will not cover the losses which he has to make good for customers whose goods were in his custody when the premises were destroyed. Particulars of customers goods were included in his claim.

As my client's stock has been destroyed and his business ruined by the destruction of the premises he is not in a position to compensate his customers for their loss and I think that he should have been awarded such a sum as would compensate his customers and also compensate him for the loss of his stock.

I shall be glad therefore, if you would have his claim re-considered and enable me to bring forward further evidence in support of his claim.

The Secretary

Yours faithfully
