Dear Sir:-

Replying to your enquiry of the 4th instant, as to increase in cost of Hosiery between 29th January 1915 and April 1916. The increase in cost of goods in this period was fully 25%. This would be a fair average, although in many instances the increase was considerably more and to-day's values are at a still higher level.

Yours faithfully,

Allen Turtle

Dear Sir

Replying to your favour of 4th inst we enclose you
herewith statement as requested.

With regard to your other question, silks have
gone up quite 50% since the time you purchased the last lot,
which affects the finished article to the extent of 33 1/3rd-% .
You will either have to pay more for new lots or else the
value will have to suffer.

Trusting this will enable you to get at the facts,

Dear Sir,

In reply to your enquiry for increase in cost of flannel goods. The increase has been very considerable.

In flannels where there is any cotton, the material has advanced from 3d. to 4d. per yd. and the shirts vary from 4/6 to 6/6. Where the material is all wool the advance here has been very great. The shirts have gone up from 24/- to 28/- doz. extra, and the material from 6d. to 8d. yd.

We trust that this information will help you in your claim.

Yours truly
