Dear Sir,

We wrote to the Chief Secretary's Office for the following particulars, but ^ew_e were directed to communicate with you on the subject.

Outside our Stock Claim, we had a Claim for Re-building, Repairs to premises, Repairs to electric installation, etc and Renewals of Plate Glass in Earl St. and in Marlborough St. This Claim was over £700 and we have only been allowed £500 for it.

We wish to know from which particular item or items, the deductions were made, and the amount of each.

Practically all the Plate glass has been fitted and paid for, as set out in our Claim. And some of the other ~~items~~ work has also been done and paid for. We can produce receipts for all these items.

We should be glad if you would let us have these particulars at your convenience, and also if you would let us know what we must do to get a refund of those amounts paid out i.e. those outside the ^{actual} Rebuilding Claim, for which we understand we must produce an Architect's Certificate.

Yours faithfully,
Hickey & Co.
