Interests in the buildings Owners.

Remarks I have inspected the damage in this case and find that there is a considerable amount of salvage. I have seen the Glaziers and after making all deductions would recommend payment of the claim as above.

I might mention that although there is no "riot" clause in the Glass policy, the manager of the Company (Insurance) told me that they had it on the renewal receipts since the outbreak of the war in 1914. Therefore I dealt with the claim.
