Re/ Rebellion Claims Nos. 398-408.

Dear Sir,

/ We return herewith particulars of claims as above and have attached particulars in each case of the Fire insurance in force on the property referred to. We called upon the Yorkshire Insurance Company in connection with the insurance on No. 15, Parliament Street, and beg to advise that this Company did not seem inclined to furnish us with particulars of their fire policy on the building referred to. There may be another insurance in addition to the "Yorkshire" on the same property. Perhaps you will be good enough to instruct the Assessors, Messrs. Montgomery & Son, to apply to the Company for the necessary details.

In connection with Claim No. 406, we are unable to trace any Fire Insurance on the property referred to with the following exceptions:-

Brushes and Sponge - Water Works Department.
Clock, Looking Glass, etc., - Rates Department.
Rubber Stamps -
Stationery - City Hall Offices.
Hearthrug - City Hall.

These articles would of course be included in the General Specification Policy. If extracts are required we shall have pleasure in furnishing you with same on receipt of your advices.

Yours faithfully,

General Manager & Secretary.
