Interests in the buildings

Claimant is the Editor of "Sport" and resides with his mother and two brothers at this address. He is the sole owner of the property damaged, with the exception of the servant's clothes. The claim is overstated: For instance, the majority of the clothing has been damaged by bullet marks and not irretrievably ruined, but salvage has not entered very largely into claimant's calculations.

The servant - K. Hanley - whom I recommend for £1. is now in England. The Committee might deem it advisable to make payment to her through the Claimant Michael P. Byrne.
