Dear Sir

With regard to that  
claim I sent in to you, and  
which you acknowledged, of  
Tools lost in Hopkins Hopkins  
Fire, I did not want to unnecessarily  
worry you about it, - but after  
considerable delay you sent  
some person to Messers Ganters  
of Georges St, where I am at present  
I happened to be out when your  
representative called, but Mr  
Ganter was told, or given to  
understand, that he would call  
again on the following day and  
I was expecting him

that was last week, and I have  
heard nothin since, — now  
several of "Hopkins & Hopkins"  
Employees have been "Compassated"  
if not all, as I know or am  
aware of; and I think I should get  
some attention to a particularly  
reasonable claim as mine was in  
Amount, this very hard lines  
for me to Buy up "fresh Tools"  
week after week out of current  
money, at higher prices than I  
have ever before paid ~~for~~ for  
them, and not a word from  
you

I trust you will give this  
your earliest attention

I remain Yours Sir
