St. Sles. Inadmissible
Consequential?

It is not in respect
of lost property but
for the consequent losses
of enforced absence
from business for three weeks
rent going on all the
time machines including
being out of use I spent
a couple of days trying

set it in motion and
had to get a girl who
understand machines
to repair same
and had to pay my
Railway fare half over
again and expenses
whilst away & loss
of Customers.

I myself warned the
Corporation when the

Government allowed them
to hold a "trial on the
conduct" of the police
in the Lankien riots; the
inducement given it all
was subject the police
officers & men to such
inducement who had done
so much to protect life
and property & at such
risk to themselves
and now behold the
result, in the ruin
of hundreds, & immense

loss of life and our
splendid young fellows
got under Lankien's Society
influences they the Government
are really responsible for
those incidental losses
enumerated above,
and hope they may be
included in the scheme
of compensation

Yours truly
H. E. Osborne
