Dear Sir:-

We enclose detailed estimate for Fittings and as we carried out some repair work for you last year we have a fair idea of the value of same. Some of the fittings were old but of good material and well made, therefore, we think the enclosed estimate is a fair price. If these fittings were made by us at the present time we would charge you about £400.

Our fee for preparing the estimate of £2. 2. 0. which we have charged to your account.
