Dear Sir,

We are in receipt of your favor of the 21st inst., regarding glazing at Miss Morris's.

You will recollect when we received your order for this work we explained we had been sold out of $\frac{1}{4}$ " plates of that particular size, but as you pressed for to have the work done by us we quoted you an extra for the $\frac{3}{8}$ " thickness which was the only plate available at the time. However, we should be sorry to have any friction with your good self over the matter and have pleasure in enclosing our Credit Note for the difference.

Faithfully yours,

BROOKS, Thomas & Co. Ltd.
