LONDON, E.C.

Fire Policy No. 2010458.

Name Thomas Nolan.

Sum Insured £ 2000.

Renewable 25th March.

This Policy should be examined, and, if incorrect,
must be returned immediately for correction.

CONDITIONS.

1. Any material mis-description of any of the Property expressed to be hereby insured, or of any Building or Place in which any such Property is contained, or any misrepresentation as to or omission to state any fact material to be known for estimating the risk, renders this Policy void as to the Property affected by such mis-description, misrepresentation, or omission, and any mis-statement in answer to questions put by or on behalf of the Society on the proposal for the insurance, or before or at the time the risk is undertaken by the Society, renders this Policy void.

2. If after the Insurance has been undertaken, anything whereby the danger of Loss, or Damage by Fire to any of the Property hereby insured is increased be done thereto, or to or upon or in any Building or Place in which any of the Property hereby insured is contained, or if any of the Property be removed from the Building or Place in which it is herein stated to be contained, without, in each and every case the sanction of the Society, signified by a memorandum made on the Policy, by or on behalf of the Society, the insurance as to the Property affected thereby shall cease to attach.

3. This Policy does not cover—

- (A) Goods held in Trust or on Commission.
- (B) China, Glass, Looking Glasses, Jewels, Lace made by hand, Clocks, Watches, Trinkets, Medals, Curiosities, Manuscripts, Government Stamps, Engravings, Prints, Paintings, Drawings, Tapestries, Sculptures, Musical, Mathematical, or Philosophical Instruments.
- (C) Plans, Patterns, Models, Moulds, Designs, Drawings.
- (D) Gunpowder or other Explosives.
- (E) Deeds, Bonds, Bills of Exchange, Promissory Notes, Cheques, Money, Securities for Money, Books of Account, Documents of Title to Goods, Contracts, or other Documents.
- (F) Loss or Damage to Property occasioned by or happening through its undergoing any Heating Process or its own Spontaneous Fermentation or Heating.
- (G) Loss or Damage occasioned by or happening through Earthquake, Subterranean Fire, Hurricane, Invasion, Foreign Enemy, Hostilities, Riot, Civil Commotion, or Military or Usurped Power.
- (H) Loss or Damage to Property, which at the time of the happening of such loss or damage is insured by, or would, but for the existence of this Policy, be insured by any Marine Policy or Policies, except in respect of any excess beyond the amount which would have been payable under the Marine Policy or Policies had this Insurance not been effected.
- (I) Loss or Damage by Explosion.

Unless the same be specially mentioned in the Policy.

But this Policy does cover Loss or Damage to Property occasioned by Explosion of Gas elsewhere than on Premises being part of any Gas Works, or to Property struck by Lightning, which will be deemed to be Loss by Fire within the meaning of these Conditions.

4. This Policy ceases to be in force as to any of the Property hereby insured upon the interest of the Insured therein passing from him otherwise than by Will or operation of Law, unless notice thereof be given to the Society and the Insurance be declared to be continued to a successor in interest by a memorandum made on the Policy by or on behalf of the Society, and the expression "the Insured" herein shall include a successor in interest to whom the Insurance is so declared to be or is otherwise continued.

5. On the happening of any Loss or Damage the Insured shall forthwith give notice thereof in writing to the Society, and shall within fifteen days after such Loss or Damage, or such further time as the Society may allow in that behalf, and at his own expense, deliver to the Society a claim in writing for the Loss or Damage, stating the several amounts of the Loss or Damage in respect of all the several items of Insurance respectively, and containing as particular an account as may be reasonably practicable of the several articles or items of property damaged or destroyed, with the estimated value of each of them respectively, having regard to their value at the time of

the Loss or Damage. The Insured shall also produce and give to the Society when, where, and to whom, and in manner required by it, and at his own expense, all such plans, specifications, measurements and quantities, estimates, deeds, books of account, vouchers, invoices, copies thereof, documents, proofs, and explanations with respect to the Claim and the alleged Loss and Damage, and the circumstances of the Loss or Damage, and the ownership of or interest in the Property hereby insured, and as to other insurances, and also as to all other matters as may be reasonably demanded; and also if required shall make and cause to be made statutory declarations of the truth of the Claim and of any of the matters aforesaid, and no Claim whatever under this Policy shall be payable unless the terms of this Condition have been complied with.

6. If the Claim be in any respect fraudulent, or if any fraudulent or false plan, specification, measurement, quantity, estimate, deed, book, account, entry, voucher, invoice, or other document, proof or explanation be produced or given, or if any fraudulent means or devices be used by the Insured, or any one acting on his behalf, to obtain any benefit under this Policy, or if any false declaration or statement be made, or if any loss or damage be occasioned by the wilful act or with the connivance of the Insured, all benefit under this Policy is forfeited.

7. The Society may at any time before payment of the amount of any loss or damage, whether or not the amount of the loss or damage has been adjusted or ascertained or an award has been made, instead of paying the amount of the loss or damage, make it good by replacing or reinstating the whole of the property damaged or destroyed, or by replacing or reinstating any items or parts thereof and paying the amount of the loss or damage to the residue of such property. Provided that the Society in making good the loss or damage shall not be bound to replace or reinstate any property exactly and completely, but only to do so substantially as nearly as circumstances permit and in a reasonably sufficient manner, and that in the event of the Society being prevented by any Building Regulations or otherwise by Law from reinstating any building as it was before the loss or damage thereto, the Society shall be bound only to reinstate the same as far as practicable, and shall not be bound to expend more than the sum it would have cost to reinstate such building as it was before such loss or damage. And provided also that the Society shall not in any case be bound to expend in respect of any one of the items insured more than the sum insured by the Society thereon.

In cases where the property is insured elsewhere the Society may join with any other Insurance Company or Insurers in replacing or reinstating.

If the Society elect to replace or reinstate any property, the Insured, at his own expense, shall produce and give to the Society all such plans, specifications, measurements and quantities, particulars, documents, books and information (oral and documentary) as the Society may require.

8. On the happening of any Loss or Damage in respect of which a claim is or may be made under this Policy, the Society and every person authorised by the Society may enter, take, and keep possession of the Building or Premises where the Loss or Damage has happened, and may take possession of, or require any Property of the Insured on the Premises at the time of the Loss or Damage, or any of the Property hereby insured, to be delivered to them, and may examine, sort, sift, arrange, remove, and keep possession of such Property until the Claim is adjusted or settled, without thereby incurring any liability, and this Condition shall be evidence of the authority of the Society and of the leave and license of the Insured so to do. If the Insured or anyone acting on his behalf shall not comply with the requirements of the Society, or shall hinder or obstruct the Society in doing any of the above-mentioned acts, then all benefit under this Policy shall be forfeited.

9. The Society may, in the name of the Insured at any time, whether before or after the adjustment or ascertainment of any alleged Loss or Damage insured against, sell or dispose of any Salvage, or any of the Property taken possession of or removed by its authority, and this Condition shall be evidence of the authority of the Society, and of the leave and license of the Insured so to do. And in the event of the Policy being void, ceasing to attach, or its benefit being forfeited, the Society shall not be liable in respect of such sale or disposal to any greater amount than the net proceeds of such Salvage or Property. The Insured shall not, in any case, have any right to abandon any Property to the Society whether taken possession of by the Society or not.

10. If, at the time of any Loss or Damage happening to any of the Property hereby insured, there be any other subsisting Insurance or Insurances, effected by the Insured or by any other person or persons on his behalf, covering such Property, either alone or together with any other Property, this Society shall not be liable to pay or contribute more than its rateable proportion of such Loss or Damage.

11. In all cases where any other subsisting Insurance or Insurances, effected by the Insured or by any other person or persons on his behalf, covering any of the Property hereby insured, either alone or together with any other Property in and subject to the same risk only, shall be subject to Average, the Insurance on such Property under this Policy shall be subject to Average in like manner.

12. No Insurance will be in force until, nor will the Society be liable in respect of any Loss or Damage happening before the Premium, or a Deposit on account thereof, is actually paid, and no such Payment or Deposit and no payment in respect of the renewal of this Policy shall be good unless a receipt for it, upon a printed form of receipt issued from the Office of the Society, and signed by one of the Society's authorised Officers or Agents shall have been given to the Insured.

13. Every notice or communication to the Society required by any of these Conditions must be written or printed.

14. If and whenever any difference or differences shall arise between the Insured or any Claimant under this Policy and the Society as to any Claim for any Loss or Damage, or any other claim against the Society, or as to any matter touching the rights, duties, and liabilities of the Insured or the Society, or otherwise in any way relating to or arising out of this Policy, such difference or differences shall be referred to the decision of an Arbitrator, to be appointed by the parties in difference, or if they cannot agree upon a single Arbitrator, to the decision of two Arbitrators, one to be appointed in writing by the party claiming, and the other by the Society within one calendar month after either party has been required so to do by the other party; and in case of disagreement between the Arbitrators, to the decision of an Umpire, to be appointed by the two Arbitrators before entering upon the reference, who shall sit with the Arbitrators and preside at their meetings during the reference, and the death of any of the parties shall not revoke or affect the authority or powers of the Arbitrator, Arbitrators, or Umpire respectively. And the Arbitrator, Arbitrators, or Umpire, at the request of either party, shall state the facts upon any question of law in a Special Case for the opinion of the Court, and shall have power to make one or more awards as to any of the matters in difference respectively at their or his discretion; and the costs of the reference and award, but only as between party and party, shall be in the discretion of the Arbitrator, Arbitrators, or Umpire, making the award, who shall have power to determine the amount of the costs of the reference and award respectively, or any part thereof, or to direct the same to be taxed, and to direct when and by whom and to whom and in what manner such costs or any part thereof shall be paid. And the submission to arbitration shall be subject to the provisions of the "Arbitration Act, 1889," or any statutory modification thereof as if expressed herein. And the Society shall not be liable in respect of any Claim for any Loss or Damage, or for any act, neglect or default in the exercise of any of the powers and authorities given to it by the Policy or otherwise, unless and until the liability of the Society and the amount of its liability in respect of the claim shall, if not admitted, have been referred to and determined by such Arbitrator, Arbitrators, or Umpire, whose award thereon shall be a condition precedent to any liability of the Society or any right of action against the Society in respect of such Claim.

15. In all cases where this Policy is void, or has ceased to be in force, or to attach, or all benefit under it is forfeited, all moneys paid in respect thereof will be forfeited to the Society.

16. The Insured and any claimant under this Policy shall, at the expense of the Society, do and concur in doing and permit to be done, all such acts and things as may be necessary or reasonably required by the Society for the purpose of enforcing any rights and remedies, or of obtaining relief or indemnity from other parties to which the Society shall be or would become entitled or subrogated upon their paying for or making good any loss or damage under this Policy, whether such acts and things shall be or become necessary or required before or after his indemnification by the Society.

Any warranties to which the property insured or any item thereof is, or may at any time be made subject shall attach and continue to be in force during the whole of the currency of the Policy; and, notwithstanding the second Condition, non-compliance at any time with any of the warranties shall be a bar to any claim in respect of such property or item.
