Dear Sir,

We have your circular intimation of 16th inst. in which you query
as to why our claim covered by our letter of 13th inst. was not made within
the prescribed period, namely, 12th August 1916. In reply we respectfully
mention in the first place the value of our claim was made by the Traffic
Manager of the D. & S. E. Rly Co. Westland Row, Dublin. At the time of the
Rising these empty Barrels were in the hands of the Railway Co. However,
on the 12th September last they wrote us that they had submitted a claim to
you, but had been advised that such a claim should be made by the Firm
direct. This is the only explanation we can offer, but at the same time we
mention without prejudice we hold the Railway Co. entirely responsible, as
up to the time of the Rebellion the Packages had not been delivered to us.

Trusting to hear from you at your convenience that you are in a
position to dispose of the claim.

FOR BRITISH PETROLEUM CO. LD.

Yours truly,
