Dear Sirs,

We are in receipt of your memo of the 13th.inst., and in reply beg to say that we had expected the rebuilding of our premises in Abbey Street would have begun some months ago, but owing to the action of the Munitions Dept. in withholding permission the work was not started, and we shall, therefore, be obliged to spend the winter, and the better part of next year in our present premises.

We trust this explanation will be satisfactory.

Yours faithfully,
