Claim No. 3368

Dear Sir,

The above lady has forwarded to us your letter to her of the 9th January last.

It appears that when your Mr. Downs sent the duplicate claim to our Client to fill in the particulars she did not quite understand what was meant. She informed us that she bought the articles from time to time in different places and that even if she gave the names of the shops, if it was necessary for you to communicate with them, they would not know her inasmuch as she always paid cash.

It would be a great hardship on our Client if she was not compensated for the goods she lost, therefore if you would be good enough to send us the form we would see about getting the information you require.

Yours faithfully,

*Reply that the P.L.C. having seen in us
first who is the form. is no longer in existence
in the cases it is requested that nothing can now be
done in this matter.*
