Dear Sir,

We enclose herewith two claim forms duly filled up. You will notice that the insurance policy is not enclosed although particulars of it are given. The reason for this is that it is at present with the under-writers, as we have claimed from them a rebate on premium dating from the time of the riot to the termination of the period of the policy. Therefore we can either send you the policy if we can get it back from the under-writers or have certified copies made, if necessary, and we shall be obliged if you will advise us accordingly.

Yours truly,
