Dear Sirs,

We refer to our respects of the 30th ulto & 8th inst.,
copies of which we enclose and just when we were about to write
you that we had had no acknowledgment of these letters our General
Dept. (who it seems also have an outstanding claim against you to
which you have assigned claim No. 3176) inform us that they have
received certain letters from you dated Nov. 1st, 9th & 14th,
which evidently refer to this matter but to which you had evidently
assigned claim No. 3176 in error. We would like to make it quite
clear that the matters about which we were corresponding in this
Dept. have nothing to do with Claim No. 3176 which refers to Safety
Razors. We also understand from our General Dept. that all claims
of this kind have to be filled in on certain forms which you will
send us. We presume therefore it will be necessary for you to
send us these forms in order that we may return same duly completed
with particulars of this present claim of loss of bicycle bells,
Enclos. copies. Yours faithfully,

Dear Sir,

We have been referred to you by Messrs. Tedcastle, McCormick & Co., Ltd. in regard to the loss during the recent rebellion, of two cases of Bicycle Bells shipped from Liverpool and consigned to Messrs. Wood's Cycle Co., 11 & 31, Parliament St., Dublin. These friends advised our clients as far back as May 19th last of the fact that these goods had been looted from their stores, but owing to some misunderstanding between ourselves and our clients, the claim had not been rendered before.

We enclose you herewith copy of our invoice for these goods together with an added amount for freight and delivery and shall be pleased to receive your acknowledgement and your assurance that the matter will have due attention.

Yours faithfully,
