Dear Sir,

*Add that the items marked X

the Committee*  
*December 16*

My client Tom Stuart asks me to submit a claim for

loss of property & subsequent expences in connection with the wreck of ,  
the Coliseum Theatre Dublin at which he was engaged to appear the  
week of April 24/16. He further states that he has only just  
learned that there was a Government Commission appointed to determine  
claims of losses sustained in connection with above, hence the delay  
in submitting same. He has hitherto been under the impression that  
the Theatre proprietors were liable. I enclose detailed claim which  
I trust will receive your attention.

Awaiting your early reply.

I am sir

Yours faithfully,

*St. James*
