29/11/16.

Dear Sir,

I lodged a claim on behalf of the above No 3863 but Mrs Gore now finds that she omitted several items of which I enclose particulars. My client who carries on a chemist drug store informs me that her Manager volunteered for the Army previous to the Rebellion and is now serving in a medical corps in France and when preparing the claim she had not his assistance and knew very little of the business herself. In these circumstances I would ask you to have the supplemental claim investigated and dealt with on a liberal basis. The delay in bringing forward the supplemental claim was occasioned by Mrs Gore having to go for a holiday in England owing to a nervous breakdown brought about by the Rebellion
