Interests in the buildings I have investigated this claim, and considered 2/9 (two shillings & nine pence) reasonable compensation.

Remarks It is on record that Claimant reported his loss, at the time of the Disturbances, to the local Police, but, as the Claim was so small they did not consider it worth while to include it amongst their list of notifications.

Dear Sir,

£ s. d.

It was not too late when I sent in my claim. Sergt. Oliver here took an account of my claim last May and afterwards called for particulars which I gave him on my Bill head but never heard anything of it since. yet claims have been paid all through the town, this is rather a strange state of affairs.

I would feel thankful if you
would kindly enquire into the
matter and have it paid. we
have as good a right to be paid
as any other in town.

Yours truly

James Boardman
