12th February, /7

Dear Sirs,

In reply to your letter of the 9th instant I beg to state that the difference between the amount of the award and the amount claimed is due to the fact that portion of the consignment of eggs suffered damage through delay and breakage before reaching their destination. Such damage is a consequential loss, which the Committee under the terms of reference were unable to entertain.

Yours faithfully,

Secretary.

Remarks

I have consulted the G.S. & W. Rly. Co., relative to this claim, and, as the result consider £18.0.0 reasonable compensation.

The difference between the latter and the amount claimed is accounted for by the fact that 6 cases of eggs, out of the full complement, viz. 9 cases, sustained consequential damage, through delay and breakage, between North Wall, Dublin and their ultimate destination Portsmouth.
