re Claim No. 6898.

Dear Sirs,

In reply to your letter of the 10th instant I beg to state that in this and other similar claims the Committee have been obliged to rule that the loss involved by the salvage of the butter by the railway authorities was a consequential one, which they are precluded from dealing with under the terms of reference.

I enclose as requested your file with the Military Authorities and the Government Food Supply Committee.

Yours faithfully,

The Manager, Secretary.

re Claim No. 6898.

Dear Sir,

We are in receipt of yours of yesterday, and are surprised to hear that you are precluded by the terms of reference from considering our claim.

We are informed that Bacon, Sausages, and other goods were consigned from Limerick at the same time under the same circumstances, and that your Committee have paid the claims for these goods in full. What is there in our case different from the other cases here which should preclude us from receiving payment in the same way?

When sending you claim on the 30th ult. we enclosed you a file with the Military Authorities and the Government Food Supply Committee, but we have not received this file back from you. Will you kindly send it to us
